At chapel last Wednesday, Principal lan Connelly. A water color by Frank Wilson of a characteristic western see he

George Eaton of the Salt Lake City this has been most successful and the various changes which have been made in the course of study, the introduction of new lines of work, and in the department work, have all been found to be for the best. The opening of the new year will mark an increased attendance, and a bright outlook is before the school for the remainder of the time.

Mrs. Alice Tomlinson, whose excellent work has been sadly interrupted, first by her great grief and later by her own illness, is again at her post of duty. In spite of the fact that her work has been sadly interrupted, first by her sensil of only seven weeks lessons, is wonderfully well done. The axinitic from the Other west side buildings will be in place shortly, and will be doubtless as creditable.

A new carpet has been purchased for the result of only seven weeks' lessons, is wonderfully well done. The axinitic from the other west side buildings will be in place shortly, and will be doubtless as creditable.

A new carpet has been purchased for the result of the state board of education, graduates of the normal for the state in the subject of "Ethics" for "History and Science of Education" as a requirement for the state the subject of "Ethics" for "History and Science of Education" as a requirement for the state the subject of "Ethics" for "History and Science of Education" as a requirement for the state the subject of "Ethics" for "History and Science of Education" as a requirement for the state the subject of "Ethics" for "History and Science of Education" as a requirement for the state the subject of "Ethics" for "History and Science of Education" as a requirement for the state board of education, graduates of the normal screens of the state board of "Ethics" arranged for the teachers of Sait Lake and Davis counties, from the University of the state board of "Education" as a requirement for the state board of "Ethics" arranged for the teachers of Sait Lake and Davis counties, from the University of the state board of the state board

the Webster, adding much to the beauty thereof.

The Webster teachers played at the Brunswick bowling alley Thursday affsersoon.

The following little tots at the Long-fellow school have a perfect record so far for the year in punctuality and attendance. Miles Burns, Ralph Ersking, Harry Legg. South Diek Washburne, Year Foulger, Bessie Twigg, Maud Twings, Eeatrice Sears, Edith Cardwell, Frank Mathewson, Arthur Mathewson, Katle Burns, Romney Brain, Wallace Burt, Emmeline Bench, Gwendyin Williams, Orpha Tyson.

At the meeting of the teachers of beginners held Thursday afternoon, miss Lawson of the Fremont school presented and fine class, and reading and expression. "The Childhood of Hilwatha was a read and dramatized by the little people, and the teachers pronounce it one of the best lessons given before them.

Some particularly strong efforts are being put forth by the Webster primary teachers in phonic work, showing some very fine results, such words as comprehensiveness, scarificial and trigonometry being read at first sight by children of six and seven years of age.

A number of the teachers throughout the city have enjoyed a vising day during the past week. Thus the hardship which befeit he washing ton the cachers throughout the city have enjoyed a vising day during the past week. Thus the hardship which befeit he washing ton the cachers through the cachers such as a benefit to many of the other teachers because the Washington school came as a benefit to many of the other reads and the cachers which will be been four teachers believe the mineral of the cachers which were been given before the eachers throughout the city have enjoyed a vising day during the past week. Thus the hardship which befeit he washing ton the cachers throughout the city and the past week. Thus the hardship which befeit he washing ton the cachers throughout the city and the past week. Or. West, Dentist, Will, until Feb. 2, do alt classes of dental work at greatly reduced prices.

Professional work in the Training school.

Professor W. M. Stewart, principal of the State Normal school, is preparing his report on the Normal and Training schools for State Superintendent A. C. Nelson. The report will be illustrated with thirteen pictures of the apparatus and work of the Training school.

Samuel Fullmer of Utah county was a fisitor on Thursday.

The pupils of the second grade are presaring to give a dinner to the little ones of St. Ann's orphanage next Friday. The supils will make their own cake for the tinner, and each one is also preparing a oken for the orphans.

The sixth grade in their history work

seventy-eight graduates.

Mr. George Thorne Thomsen, director of the work in geography and history, has recently fitted up his office with all kinds of work illustrating his subjects. Most of the material is that prepared by the pupils of the various grades during the past two years. The evolution of means of transportation, both on land and sea; the development of building, from the rock cave to the modern cottage; the progress made in the manufacture of agricultural implements, from the cross stick and flail to the modern sulky and threshing machine—all are fully illustrated with the work of the pupils or models from the implement

are busy sewing on their Christmas dresses.

Mrs. Cotey has twenty specimens of curious Chinese food on exhibition in the domestic arts department, which she obtained in Chinatown last summer while visiting in San Francisco.

Professor Engle gives special lectures on economic history to a large class of students every Wednesday evening.

The Agricultural club held its weekly meeting last Tuesday. Professor Merrill gave an outline of work which should be accomplished by the club. Professor Ball also gave a short addwss on eastern agricultural colleges and the relation of the agricultural clubs to these colleges. Professor Burchell is giving lectures to the city teachers on medagogy. His last lecture was on "The Evolution of the Individual." He will lecture next Tuesday on "The Stages in the Development of the Child."

The Law club held a debate last Tuesday on the Philippine question.

Miss Izatt was away from school for several days of last week on account of the Stricts and the strength of the crious illness of a niece.

The Christmas number of Student Life will be issued next Wednesday.

the organization exists.

The students and teachers of the branch normal have passed resolutions of respect to John M. Tucker, one of the former members who recently died of appendicitis.

former members who recently died of appendicitis.

The graduates of last year are planning for a reunion next Friday. Those who are at the university in Salt Lake will be coming home for the holidays, and others, who are engaged in school teaching, will be present.

The Mandolin and Guitar club and the normal orchestra practice weekly. The orchestra will soot be prepared to furnish music for the dancing parties.

Principal Porter announced in chapet this morning, to the disappointment of some, that school would not be dismissed for the holidays until Friday.

An ordinance was passed in the city council Wednesday regarding the use of library books. It will be typewritten and posted in the city bulletin before it becomes a law. All city papers, ordinances, etc., have been copled and posted since typewriting began.

The policemen are wide awake. They have found that it is necessary to see that the laws are enforced to maintain order in the school, and steps are being taken to that end. Several arrests have been made recently.
